

**Littlestown****"APPRECIATION DAYS" PLANNED BY MERCHANTS**

Appreciation Day, sponsored by the Littlestown Chamber of Commerce, in cooperation with the local merchants, has been announced. The day will be observed weekly and special values for the shoppers will be offered. The merchants have created for their patrons a Community Treasure Chest. This Treasure Chest will grow from week to week and from it a weekly award will be offered. Everytime a purchase is made from one of the participating merchants, a coupon will be issued and a percentage of the purchase made will be punched on the coupon. This will be done for the purpose of determining the average unit purchases. All coupons, along with the name and address of the holder, are to be dropped in a box either in the place where the purchase was made or in the community container.

Every Saturday afternoon at 3 o'clock, beginning February 3, a name will be drawn from the container. If the person whose name is drawn first is not present, the drawing will continue until the name of someone present is drawn. Cash prizes will be awarded, one prize each Saturday. The remaining fund will then be carried over to the following Appreciation Day and added to the next week's Treasure Chest total. The coupons, which are free upon request from any of the participating merchants, who give additional coupons with a purchase, are not destroyed after each drawing, but accumulate from week to week.

Merchants participating in Appreciation Day are: Marshman's Rexall Drug store, Samuel H. Higginbotham, jeweler; W. W. Thomas grocery, Stanley B. Stover, electrical dealer; Karl P. Bankert, restaurant; George M. Zerfing, hardware; Renner Brothers, hardware; Herring's Market, Littlestown 5 and 10, Marvin's Cut Rate Drug store, Lemmon's Atlantic service station, Hollinger's market, Schott's restaurant, W. H. **Russian Crabmeat Is Banned In U. S.**

Washington, Jan. 27 (AP)—Reports of slave labor in Soviet Russia have caused the first United States import ban against a Soviet product since the two countries established diplomatic relations in 1933.

The Treasury department yesterday prohibited imports of Russian crabmeat on the grounds it is produced by "forced, convict and indentured labor." U. S. tariff law forbids import of anything produced by such means.

The order was signed by Customs Commissioner Frank Dow and approved by Secretary of the Treasury Snyder.

Like other Russian commercial activities, crabmeat production is a government-operated monopoly.

In March, 1949, the United States

asked for United Nations investigation of charges that vast numbers of Soviet citizens were held in forced labor camps. In July of that year the British delegation to the U. N.

## Jacobs Runs Wild; Wildcats Trounce GHS Cagers 54-36

A 31-point scoring spurge by "Sonny" Jacobs, sharp-shooting Mechanicsburg high guard, sent the Gettysburg high Warriors spinning to their ninth defeat and fifth straight loss in a South Penn league contest at Mechanicsburg Friday night, 54-36.

The defeat resulted in Gettysburg and Carlisle finishing the first half of the league in a tie for the cellar.

Hershey high clinched the first half honors by recording a 52-28 victory at Waynesboro for the Trojans seventh road win without defeat. Chambersburg won the reserves league first half title earlier in the week and also finished unbeaten by winning Friday at Hanover.

### Third Round Fall

After a comparatively close first half, the Warriors sagged badly in the third period when Mechanicsburg tallied 17 points. Jacobs tallying five goals and a pair of free tosses.

Mechanicsburg gained a 7-6 margin in the first period on a pair of goals and foul by Jacobs, and free tosses by Parks and Senseman. Gettysburg's points came on goals by Harrel and Bream, and fouls by Crist and Ford.

The Wildcats hiked their lead to 22-18 at half time during the second frame, Jacobs again leading the attack with three twin-pointers. McCormick looped a pair of goals and a foul for the Forney-men.

In the third frame the locals were held to but seven points on a pair of tosses by Crist, a goal by McCormick and a charity heave by Heyser.

Reserves from both benches played much of the remainder of the game.

A poor start which enabled the Mechanicsburg scrubs to secure a 29-19 lead at half time was costly as the Wildcats took the preliminary game 37-34. The Warriors put on a fine rally in the last two periods but could not make the grade. Fiszel, leading scorer in the Jayvee circuit, again set the scoring pace on six goals and as many fouls.

### Meet Delone Next

Next Tuesday the Warriors meet Delone Catholic in a non-league affair at McSherrystown. One of Gettysburg's three victories was gained at the expense of the Squires 30-27 on December 19.

## MEL OTT AND JIMMY FOXX IN "HALL OF FAME"

By TER MEIER

New York, Jan. 27 (P)—Two of baseball's greatest home run sluggers—Mel Ott and Jimmy Foxx—are new members of the game's Hall of Fame at Cooperstown, N. Y.

Ott, 41, who spent 20 years as a first baseman and manager, and Foxx, 43, who spent 20 years as a first baseman and catcher with the Philadelphia Athletics and Boston Red Sox, were elected yesterday by the Baseball's Writers' Association of America.

"Little Ottie," the all-time home run leader of the National league with 511, and big "Double XX" who in 1932 nearly smashed Babe Ruth's one-season homer mark of 60, were overjoyed at their selection.

"I'm delighted by such a great honor," said Foxx in Philadelphia where he is a salesman for a Doylestown, Pa., truck company. "I want to thank all those who made it possible for my name to be listed with baseball's greatest."

Ott, now manager of Oakland in the Pacific Coast league, learned of his elevation at Carville, La., where he was visiting with patients at the Marine Leprosarium.

"I'm tickled to death," he said. "It's wonderful. I certainly want to thank all the writers who voted for me."

More than 100 players received votes in the poll, but only Ott and Foxx received the necessary 170 or more number of votes. Ott received 197 and Foxx 179.

Paul (Big Poison) Waner, former Pittsburgh outfielder, was third in the balloting with 162 followed by Harry Heilmann 153, Bill Terry 148, Dizzy Dean 145, Bill Dickey 138, Al Simmons 136, Rabbit Maranville 110 and Ted Lyons 71.

After that came Dazzy Vance 70, Hank Greenberg 67, Gabby Hartnett 57, Joe Cronin 44, Ray Schalk 37, Chief Bender 35, Ross Young 34, Tony Lazzeri 27, Max Carey 27, Hank Gowdy 26, Lefty Gomez 23, Eddie Roush 21 and Hack Wilson 21.

The York Springs girls led all the way in copping the preliminary game 44-25.

A 32-18 lead at half time enabled the York's boys to withstand a last half rally to gain the decision. Kerner landed 11 points to pace York Springs while Mowen netted 17 for the winners.

**Sports Roundup**

By HUGH FULLERTON, JR.

New York, Jan. 27 (P)—Think the Rose Bowl folks look unhappy when they think about getting a second or third-place football team from the big ten? . . . Well, what about the guys staging the 1951 basketball tournaments? . . . Bradley and North Carolina State, two top candidates, have found their stars aren't eligible for the NCAA tournament. There may be others. . . . Count them out, and it will be quite a trick lining up 16 first-class teams for the NCAA and a dozen for the National Invitation. . . . It is helpful, of course, that the NIT will end before the NCAA regionals open, so some teams can compete in both if they don't care too much about class room work. . . . Seems it might be smart for the NIT folks to forget about stringing along with NCAA rules and grab off the best teams.

If the boys are okay for the regular season, why not for tournaments too?

**A HECK OF A PUTT**

There was quite a hubabaloo on the west coast when Walter Hagen was invited to attend the Bing Crosby Golf tournament and some folks thought Sir Walter might retire and play. . . . A Chicago friend became curious about it and reached Hagen by phone at the Detroit athletic club. . . . "Walter, I thought you were playing in Bing's tournament," the pal began. . . . "Well," Hagen explained, "I went to the first tee and hit one about 250 yards straight down the middle. . . . I knew then I was a cinch winner, so I picked up and came home."

**SHORTS AND SHELLS**

Don't look for any records in the Wanamaker mile tonight. It took Don Gehrmann over ten months to win the last one, so why should he hustle to it in four minutes this time? . . . Dick O'Connor, who trains fighters and football players, celebrates his 63rd birthday today. Next fall he'll start his 25th season as trainer at Kearny, N. J., high school. . . . Jim Fuchs, world-record shot putter, is the first defending champ to enter the AAU indoor track meet, Feb. 17. Meanwhile Coach Jess Hill, of Southern California, has come up with a lad named Parry O'Brien, who is tabbed as "another Fuchs." . . . Parry, who broke the national freshman record last spring, has the same kind of speed as Fuchs. . . . The gaudy boxing brochure just received from Louisiana State U. was authored by James J. Corbett. . . . But this J. J. probably thinks "spar" means a gal who was in the coast guard.

## Out Of The Past From the Files of the Star and Sentinel and The Gettysburg Times

TEN YEARS AGO

**Mrs. L. H. Winebrenner New Hospital Auxiliary President:** Mrs. LeRoy H. Winebrenner was elected president of the Women's Auxiliary of the Warner hospital this afternoon at the annual organization meeting. She succeeds Miss Mary Ramer, who declined another term after nine years in the presidency.

The other officers are: First vice president, Mrs. S. G. Bigham; second vice president, Mrs. Howard Boyle; third vice president, Mrs. J. R. Riden; secretary, Miss Mary Ramer, and treasurer, Miss Margaret Myers.

Out of respect for the late Dorsey Dougherty, for many years president of the hospital board of directors, the auxiliary confined its session to business, omitting the entertainment program.

**Ott-Cool:** William Ott, son of Mr. and Mrs. Bernard Ott, and Miss Clara Mae Cool, daughter of Mr. and Mrs. Samuel A. Cool, both of Emmitsburg, were married January 17, in St. Joseph's Catholic church at 8 p.m. by the pastor, the Rev. Francis Rogers. The couple was attended by Guy Cool and Miss Dorothy Cool.

### MISSING

Six weeks ago they all were here,

But now I look for them in vain,

Those wondrous "friends of once a year"

Have disappeared again.

Like Arabs in the night, I'd say,

They silently have slipped away.

That fellow with the twinkling eye

Who wished me health and happiness

Has left without a last good bye.

No forwarding address.

Among the missing now is he

And none can tell where he may be.

But sadly let it be confessed,

Among the missing there is one—

The man I am when at my best

Mysteriously has gone.

But he'll be back, should he remain

On earth, when Christmas comes again.

The Rev. Dr. Ross Stover, pastor of the Messiah Lutheran church in Philadelphia, spoke in St. James Lutheran church Monday evening.

The ceremony was performed by the Rev. O. D. Coole, who used the single ring ceremony of the Lutheran church.

Cyrus Bucher Heads Farm Mechanics Class: Cyrus G. Bucher was elected president of the part-time class in farm mechanics at its third meeting held Monday evening at the Bigerville high school building. Other officers were elected as follows: Vice president, Charles Boyer; shop foreman, Arthur Kuntz; movie director, Dale Smith, and assistant movie director, Ralph Yohe.

Lord Halifax Reaches U. S.: Baltimore, Jan. 22 (AP)—The new battleship, King George V, bearing Lord Halifax, new British ambassador to Washington, passed the Chesapeake Bay capes at 7 a.m. today, and is expected to anchor off Annapolis about 2 or 3 p.m.

Main Roads in Section Open: The heaviest snow storm of the year blanketed Adams county to a depth ranging between six and eight inches at noon today. More snow was forecast for tonight.

All the main highways have been kept open without much trouble, although driving is said to be dangerous as the result of ice beneath the snow at several places.

Farewell Party: A joint farewell party was tendered in honor of the Rev. O. D. Coole by the churches at Aspers, Bendersville and Wenville, comprising the Bendersville Lutheran charge.

The party was held in the Bendersville Community hall on Friday evening. The Rev. Dr. Coble will leave on Tuesday to serve for one year as chaplain for the Army-reserve corps at Fort Monroe, Virginia. Approximately 160 members and guests of the parish were present.

London, Jan. 27 (P)—The Labor government Friday announced a 20 per cent slash in each Briton's tiny ration of fresh meat—from 11 2/3 cents (10 pence) worth a week to 9 1/3 cents (eight pence) worth. Each person will continue to receive 2 1/3 cents (two pence) worth of corned beef each week in addition to the fresh meat allowance.

## RADIO

New York, Jan. 27 (P)—Jimmy Durante has been carrying Helen Traubel of the opera stage to stardom in a field entirely strange to her. He seems bent on turning her into a comedienne in his monthly NBC television show.

Miss Traubel, famed Wagnerian soprano, now has appeared twice in the Durante show. On both occasions, beside displaying her fully qualified vocal talent, she has captivated Durante in a manner that not only has produced her own hearty laughter, but developed similar in her studio and viewing audiences.

All things seem to point to her as television's "latest discovery."
